

Built for Zero Canada is an ambitious national change effort to end homelessness across Canada. As a participant Hastings County is committed to addressing chronic homelessness.

Quarterly, Hastings County will share information about the number of people experiencing homelessness in our community. We hope that sharing this information will promote transparency and accountability in our Community's homelessness response.

AT LEAST
133
OF THOSE
94

People are currently experiencing homelessness in Hastings County.

People have been experiencing homelessness for six months or longer.

Taking a close look at the monthly data will help us:

- Focus on the facts (what we know), rather than the narrative (what we think).
- Adjust our services to meet current needs.
- See what needs to be done to address homelessness.
- Improve the lives of people experiencing homelessness.

WHAT HAS CHANGED

Quarterly Inflow

People who have been **added** to our Chronic Homelessness Number.

33

People became chronically homeless. Some are new to our system and some have returned.

6

People got back in touch after having become inactive (not heard from in 90 days). Some have returned to town or have met the definition of chronically homeless again.

1

Person lost their housing. They were in our homelessness system before, secured housing, and now have lost that housing.

Quarterly Outflow

People who have been **removed** from our Chronic Homelessness Number.

9

People moved into housing
This could be rental units, living with family, long term care, etc.

19

People lost touch
These are people who have not been heard from in 90 days or more, have left town, no longer meet the definition of chronic homelessness, or have died. People who no longer meet the definition of chronic homelessness but are still homeless will be captured in our overall number.
