

**HASTINGS COUNTY START-UP GRANT APPLICATION**

Start-up Grants support the creation of new licensed full day spaces for children under age six in targeted regions for underserved communities and populations. High need populations include vulnerable children, children from diverse populations, children with special needs, and Indigenous and Francophone communities. Applications for Start-up Grants are assessed against the directed growth plan for by enabling space creation in neighbourhoods that have had historically lower rates of space availability that may not be accommodated through natural growth.

For-profit and not-for-profit licensed child care operators enrolled in the CWELCC system are eligible to apply for Start-up Grants.

Start-up Grants can be used to offset the initial costs required to expand or create spaces such as equipment and leasehold improvements. The grants support community-based space expansion projects and prioritize the creation of new licenced full-day spaces for children aged 0-4. Start-up Grants may be used for retrofits, renovations or expansion projects, but cannot be used to purchase land or buildings. Space expansion projects for child care programs that run during school hours for kindergarten and school-aged children are ineligible for Start-up Grants.

**SECTION 1: CHILD CARE LICENSEE BASIC INFORMATION**
